CPA-86-C-121-2-2 - RESTON SPECTRUM LIMITED

After Close of the Public Hearing

Vice Chairman Byers: Close the public hearing. Recognize Mr. de la Fe.

Commissioner de la Fe: Thank you, Mr. Chairman. As Mr. Looney stated, the Reston Planning and Zoning Committee has approved this application as well as the Design Review Board for the Reston Town Center. There are lighting standards and I am quite sure that they will follow the lighting standards that are applicable to Reston Town Center. One of the things that was done was that the configuration of the drive-through was changed so that the lights from the cars would not shine onto the adjoining property where there is a residential community. They will be looking at parking lots. So that -- in Reston lighting is always considered. Therefore, Mr. Chairman, I RECOMMEND THAT THE PLANNING COMMISSION APPROVE CPA-86-C-121-2-2, SUBJECT TO THE CONCEPTUAL NOTES NOW DATED DECEMBER 6.

Commissioners Koch and Wilson: Second.

Vice Chairman Byers: Seconded by Mr. Koch and Ms. Wilson. Any discussion? All in favor of the motion to approve CPA-86-C-121-2-2, say aye.

Commissioners: Aye.

Vice Chairman Byers: Opposed? Motion carried. Thank you very much.
