

## **FINAL DEVELOPMENT PLAN AMENDMENT CONDITIONS**

### **FDPA 82-P-069-1-15**

**October 25, 2007**

If it is the intent of the Planning Commission to approve a high-rise residential development located at Tax Map 45-4 ((1)) 25E1 pt. and 25E2 pt., staff recommends that the Planning Commission condition the approval by requiring conformance with the following development conditions, which supersede all previously approved conditions as they pertain to this site.

1. Development of the property shall be in substantial conformance with the Final Development Plan Amendment entitled "Fair Lakes Land Bay VI-A" prepared by Dewberry & Davis LLC and Davis Carter Scott consisting of six sheets dated February 27, 2007 as revised through October 22, 2007.
2. LID measures shall be incorporated into the final site design, including surface parking areas, as determined feasible by the applicant and DPWES at the time of site plan review.
3. The areas depicted as "existing vegetation to be preserved" shall remain as permanently undisturbed vegetation except for (1) the removal of dead, dying and/or diseased vegetation as approved by UFM, and/or (2) other disturbances to the extent approved by DPWES. Any vegetation removed within these areas shall be replaced with native plant species as approved by Urban Forest Management.
4. The use of cellar space shall be limited to the principle use indicated on the FDPA and accessory uses as defined by Article 10 of the Zoning Ordinance. Any use of cellar space shall be parked as required in Article 11 of the Zoning Ordinance.
5. The proposed trail connection along the north side of Fair Lakes Parkway shall be sited in cooperation with UFM in a manner which will preserve the maximum amount of the existing vegetation line.
6. Any landscaping proposed in the FDPA that cannot be installed as a result of Final Sight Distance Engineering shall be installed elsewhere on the site with equal type and quality as approved by Urban Forest Management.

The proposed conditions are staff recommendations and do not reflect the position of the Planning Commission unless and until adopted by that Commission.
