Planning Commission Recommendations Re C-649, 74-2-110,
C-571, C-526

The recommendations of the Planning Commission on these items scheduled for Board of Supervisors action on Monday, September 2, 1975 are as follows:

1:00 P.M. Item - C-649, Thomas F. & Barbara B. Warner,
Centreville District.

On July 12, 1975, the Planning Commission, by a unanimous vote, recommended to the Board of Supervisors approval of application C-649 for rezoning from RE-2 to I-L for mechanical contractors office and storage uses, and further that the development plan comments in the staff report be approved.

The Commission agreed that the application was in total conformance with the Area III Plan, and is compatible with the surrounding land uses. Also, the stipulation of Mr. Adam's that the Reston Architectural Board of Review will review the proposed development made the Planning Commission believe it to be worthy of favorable consideration.
