This provision shall not be construed to restrict expansion of or improvements to the agricultural or forestal use of the land, or to prevent the construction of one (1) additional house within the district, where otherwise permitted by applicable law, for either an owner, a member of an owner's family, or for a tenant who farms the land.
- (2) That no parcel added to an already established district shall be developed to a more intensive use than its existing use at the time of addition to the district for eight years from the date of adoption of the original ordinance.

- (4) That the district shall be reviewed by the Board of Supervisors at the end of the eight-year period and that it may by ordinance renew the district or a modification thereof for another eight-year period. No owner(s) of land shall be included in any agricultural and forestal district of local significance without such owner's written approval.

### Additional Provisions

- (9) The establishment and continuation of this district depends upon the continuing legality and enforceability of each of the terms and conditions stated in this ordinance. This district may, at the discretion of the Board of Supervisors, be subject to reconsideration and may be terminated if warranted in the discretion of the Board of Supervisors upon determination by a court or any declaration or enactment by the General Assembly that renders any provisions illegal or unenforceable. The reconsideration shall be in accordance with procedures established by the Board of Supervisors and communicated to the property owner(s) to demonstrate that the determination by a court or the declaration or enactment by the General Assembly does not apply to the conditions of this district.
