Attention: J. Douglas Cooper, Senior Vice President

Reference: Proffer for Dolley Madison Boulevard Pedestrian Bridge,  
Project No. 001166

Dear Mr. Cooper:

This is in response to your formal request for the return of the proffered funds for the subject project. It is the opinion of the County Attorney that the proffered \$25,000 "toward the actual construction of the Dolley Madison Bridge" in RZ 84-D-029 can be returned since the County is not pursuing the construction of this project at this time. Accordingly, enclosed is the refund check in the amount of \$25,000 to McLean Federal Savings and Loan Association, successor to McLean Federal Savings and Loan Association.

As noted in your September 22, 1988 letter (copy attached) it is mutually agreed that Fairfax County reserves the right to require repayment of their funds when and if the subject project is reinitiated for construction.

We want to thank you and your firm for your cooperation. Please contact W. C. Ellis at 246-5800 if you have any questions.

Very truly yours,
