10. The applicant shall install flashing beacon school zone lights, such as a "Wink-O-Matic" or similar device approved by the Virginia Department of Transportation, along Burke Centre Parkway at Terra Centre Elementary School before the issuance of the Non-Residential Use Permit for the proposed building additions. The signs shall comply with Sect. 46.2-873 of the Code of Virginia.
11. All signage shall be in conformance with Article 12 of the Zoning Ordinance.

This approval, contingent on the above noted conditions, shall not relieve the applicant from compliance with the provisions of any applicable ordinances, regulations, or adopted standards. The applicant shall be himself responsible for obtaining the required Non-Residential Use Permit through established procedures, and this PRC plan approval shall not be valid until this has been accomplished.

The Board also:

- Waived the trail requirement along Burke Center Parkway in favor of the existing condition depicted on the PRC plan.
- Waived the barrier requirement along the southern property line in favor of the landscape plan included in the PRC plan.

Sincerely,

Catherine A. Chianese
