CAROL C. ROBINSON, SP 2013-SU-024 Appl. under Sect(s). 8-913 of the Zoning Ordinance to permit modification to minimum yard requirements for certain R-C lots to permit construction of addition 11.6 ft. from the side lot line. Located at 6503 Flowerdew Hundred Ct., Centreville, 20120 on approx. 13,333 sq. ft. of land zoned R-C and WS. Sully District. Tax Map 53-3 ((4)) (2) 8. Mr. Hammack moved that the Board of Zoning Appeals adopt the following resolution:

WHEREAS, the captioned application has been properly filed in accordance with the requirements of all applicable State and County Codes and with the by-laws of the Fairfax County Board of Zoning Appeals; and

WHEREAS, following proper notice to the public, a public hearing was held by the Board on June 5, 2013; and

WHEREAS, the Board has made the following findings of fact:

1. The applicant is the owner of the land.
2. The property was the subject of final plat approval prior to July 26, 1982.
3. The property was comprehensively rezoned to the R-C District on July 26, or August 2, 1982.
4. Such modification in the yard shall result in a yard not less than the minimum yard requirement of the zoning district that was applicable to the lot on July 25, 1982.
5. The resultant development will be harmonious with existing development in the neighborhood and will not adversely impact the public health, safety, and welfare of the area.
6. The applicant has satisfied the five required standards specifically set forth under Sect. 8-913.
7. The proposed addition is to build a screened porch.
8. With the eave of the porch following the extension of the existing side lot line, the Board does not see that it will make any adverse impact on public health, safety, or welfare or the existing development in the area.

AND WHEREAS, the Board of Zoning Appeals has reached the following conclusions of law:

THAT the applicant has presented testimony indicating compliance Sect 8-006, General Standards for Special Permit Uses, and the additional standards for this use as contained in the Zoning Ordinance.

NOW, THEREFORE, BE IT RESOLVED that the subject application is **APPROVED**, with the following development conditions:

1. This special permit is approved for the location and size (approximately 18 x 14) porch addition, as shown on the plat prepared by Apex Surveys, dated November

15, 2012, as signed by Carol Robinson, Owner, on February 22, 2013, submitted with this application and is not transferable to other land.

2. All applicable permits shall be obtained prior to any construction and approval of final inspections shall be obtained.

This approval, contingent upon the above-noted conditions, shall not relieve the applicant from compliance with the provisions of any applicable ordinances, regulations or adopted standards.

Pursuant to Sect. 8-015 of the Zoning Ordinance, this special permit shall automatically expire, without notice, thirty (30) months after the date of approval unless construction has commenced and has been diligently prosecuted. The Board of Zoning Appeals may grant additional time to commence construction if a written request for additional time is filed with the Zoning Administrator prior to the date of expiration of the special permit. The request must specify the amount of additional time requested, the basis for the amount of time requested, and an explanation of why additional time is required.

Mr. Smith seconded the motion, which carried by a vote of 7-0.
