Pursuant to Section 9-015 of the Zoning Ordinance, this special exception amendment shall automatically expire, without notice, thirty (30) months after the date of approval unless the use has been established or construction has commenced and been diligently prosecuted. The Board of Supervisors may grant additional time to establish the use or to commence construction if a written request for additional time is filed with the Zoning Administrator prior to the date of expiration of the special exception amendment. The request must specify the amount of additional time requested, the basis for the amount of time requested, and an explanation of why additional time is required.
