Re: SE 2010-BR-006

Dear Mr. Crain:

The referenced Special Exception Application was deferred indefinitely on February 13, 2013. Since that date, no additional action to prosecute the application has occurred.

Section 18-209 of the Fairfax County Zoning Ordinance states that if an applicant neglects to prosecute an application, the Zoning Administrator may, not less than fifteen (15) days after notice of intention to do so, declare an application dismissed. This Section further states that notice by certified mail to the applicant at the last known address is deemed to be adequate notice. The Zoning Ordinance also states that if the application is dismissed, there shall be no refund of the filing fee.

As the duly authorized agent of the Zoning Administrator, you are hereby notified by this certified letter of my intent to dismiss this application, unless you respond in writing within twenty (20) days of the date of this letter stating your intent to pursue this application. Failure to respond within this time frame will result in SE 2010-BR-006 being dismissed as of August 14, 2014.

Should you decide to reactivate the application, the application must be diligently prosecuted. If you have any questions, please contact Kris Abrahamson at (703) 324-1290.

Sincerely,

Barbara C. Berlin, AICP, Director
Zoning Evaluation Division
