

COUNTY OF FAIRFAX, VIRGINIA

SPECIAL PERMIT RESOLUTION OF THE BOARD OF ZONING APPEALS

TRUSTEES OF THE MOUNT VERNON METHODIST CHURCH; NEW CINGULAR WIRELESS PCS, LLC, D.B.A. AT&T MOBILITY AND CELLCO PARTNERSHIP D/B/A VERIZON WIRELESS, SPA 80-V-089-02 Appl. under Sect(s). 3-403 of the Zoning Ordinance to amend SP 80-V-089 previously approved for a church with child care and telecommunications facility to permit site modifications. Located at 2006 Belle View Blvd., Alexandria, 22307, on approx. 2.8 ac. of land zoned R-4. Mt. Vernon District. Tax Map 93-1 ((25)) (4) 14. (Deferred from 4/1/15 at appl. req.) (Deferred from 5/20/15 at staff's req.) (Admin. moved from 8/5/15 at appl. req.) (Deferred from 10/28/15 at appl. req.) Ms. Theodore moved that the Board of Zoning Appeals adopt the following resolution:

WHEREAS, the captioned application has been properly filed in accordance with the requirements of all applicable State and County Codes and with the by-laws of the Fairfax County Board of Zoning Appeals; and

WHEREAS, following proper notice to the public, a public hearing was held by the Board on December 2, 2015; and

WHEREAS, the Board has made the following findings of fact:

1. The applicant is the owner of the land, and Celco Partnership doing business as Verizon Wireless and New Cingular doing business as AT&T Mobility LLC, are the lessees of the land.
2. The present zoning is R-4.
3. The area of the lot is 2.8 acres.
4. The proposal is to co-locate additional antennas within an existing church steeple. This would expand telecommunication use within the area, but would be hidden from the surrounding neighborhood.
5. The related ground-level facilities, which are proposed to be small in size, would also be screened from view with an eight-foot tall fence. This would be located at the rear of the church building, and further screened by existing landscaping.
6. The proposed co-location of the antennas with an existing steeple also meets the comprehensive plan guidelines for telecommunications facilities.
7. Staff is recommending approval, and the Board adopts their rationale.
8. The applicant has read, understands, and concurs with the revised proposed development conditions, reflected in the staff memo dated November 25, 2015.

AND WHEREAS, the Board of Zoning Appeals has reached the following conclusions of law:

THAT the applicant has presented testimony indicating compliance with the general standards for Special Permit Uses as set forth in Sect. 8-006 and the additional standards for this use as contained in the Zoning Ordinance.

NOW, THEREFORE, BE IT RESOLVED that the subject application is **APPROVED** with the following limitations:

1. This approval is granted to the applicant only, Trustees of the Mount Vernon Methodist Church; New Cingular Wireless PCS, LLC, d.b.a. AT&T Mobility; and Cellco Partnership d/b/a Verizon Wireless, and is not transferable without further action of this Board, and is for the location indicated on the application 2006 Belle View Boulevard, and is not transferable to other land.
2. This special permit amendment is granted only for the purpose(s), structure(s), and/or use(s) as indicated on the Special Permit Amendment (SPA) Plat titled, "Verizon Wireless – Belle View, Special Permit," prepared by Jon K. Erickson, PE, dated October 21, 2014, as revised through January 5, 2015, and approved with this application, as qualified by these development conditions.

7. The maximum number of students shall be 90; ages 4 months through 5 years.
8. The hours of operation for the child care center shall be 9:00 a.m. through 3:00 p.m., Monday through Friday.
9. Parking shall be provided as shown on the special permit amendment plat. All parking for the uses shall be on site.
10. The barrier requirement shall be waived along all property lines.

12. Interior parking lot landscaping shall be provided and maintained as shown on the SPA Plat.
13. Stormwater Management (SWM) and Best Management Practices (BMPs) shall be provided as determined necessary by DPWES.
14. All antennas and related equipment cabinets or structures shall be removed within 120 days after such antennas or related equipment cabinets or structures are no longer in use.

These development conditions incorporate and supersede all previous development conditions. This approval, contingent on the above-noted conditions, shall not relieve the applicant from compliance with the provisions of any applicable ordinances, regulations, or adopted standards. The applicant shall be responsible for obtaining the required Non-Residential Use Permit through established procedures, and this special permit shall not be valid until this has been accomplished.

Pursuant to Sect.8-015 of the Zoning Ordinance, this special permit shall automatically expire, without notice, thirty (30) months after the date of approval unless the use has been established as outlined above. The Board of Zoning Appeals may grant additional time to establish the use if a written request for additional time is filed with the Zoning Administrator prior to the date of expiration of the special permit. The request must specify the amount of additional time requested, the basis for the amount of time requested and an explanation of why additional time is required.

Mr. Beard seconded the motion, which carried by a vote of 6-0. Mr. Smith was absent from the meeting.
