Venus,  
I would like to know whether you intend to pursue your previously-filed Special Exception for a Home Child Care Facility (SE 2014-SU-054). If not, we request that you officially withdraw the application.  
I hope that your new location is working well.

Venus,

Late last year, you mentioned that you would try to relocate your child care to a commercial location. Please let me know how that's going. Thanks.

Best wishes for the new year.
