## SPECIAL PERMIT REQUEST

The applicant is seeking approval of a special permit amendment for a home child care facility previously approved for nine children to increase to 12 children at any one time within an existing dwelling. A copy of the special permit plat, titled, "Plat Showing House Location on Lot 32, Block 8, Section 38-B of a Resubdivision of Reston," prepared by George M. O'Quinn, Land Surveyor, on August 28, 2014, as revised by Maria D. Guevara, is included in the front of the staff report. Copies of the proposed development conditions, the statement of justification with select file photographs, and the affidavit are contained in Appendices 1 through 3, respectively.

## CHARACTER OF THE SITE AND SURROUNDING AREA

The application property is a one story single-family detached dwelling with a full basement. Vehicular access from Sanibel Drive is provided by an asphalt driveway. A concrete walkway leads from the driveway to the front door. An open deck with stairs approximately 6.0 feet in height and approximately 220 square feet in size is located over a stone patio at the rear of the house. The applicant has play equipment in the rear yard for the children. A wood fence varying in height from 4.0 feet to 6.0 feet encloses the rear yard.

The subject property is located on Sanibel Drive, west of the intersection of South lakes Drive and Pinecrest Road. The subject property and the surrounding properties are zoned PRC. The property to the southeast is also developed as a single family detached dwelling. The properties to the northeast and northwest are developed with two-family houses. The property to the south is Reston Association-owned open space.

**Figure 1: House Location**  
For illustrative purposes only

## BACKGROUND

Fairfax County Tax Records indicate that the house was constructed in 1974 and purchased by the applicant in July, 2014.

The existing deck was constructed with a building permit and received final inspection in

2001. The building permit information is included as Appendix 4.

On June 17, 2015, the Board of Zoning Appeals (BZA) approved the previous special permit (SP 2014-HM-247) for a home child care facility for nine children; the resolution and approved conditions for this permit are contained in Appendix 5.

Records indicate that no other special permit applications relating to a home child care facility have been heard by the BZA in the surrounding area.

## **DESCRIPTION OF THE PROPOSED USE**

The applicant requests approval of a special permit amendment for a home child care facility for up to 12 children on-site at any one time between the hours of 7:00 a.m. and 6:00 p.m., Monday through Friday. The applicant has a staggered drop-off and pick-up time for the children. The applicant employs one full-time assistant.

The applicant holds a current Family Day Home License from the Commonwealth of Virginia, Department of Social Services, valid through July 15, 2016. The license permits a capacity of nine children, ages one month through 12 years, 11 months. Information about the state license indicates that her approved hours of operation are 6:00 a.m. to 6:00 p.m. A development condition has been proposed to require the applicant to amend her state license hours of operation to match those approved with this special permit amendment request. A copy of the state home child care license information is included as Appendix 6.

The home child care facility is operated primarily on the first floor and in the walk out basement of the dwelling. Napping occurs in Room #1 and in the basement play area as labeled on the floor plan provided with the applicant's Statement of Justification. Adequate emergency egress is provided via a window in Room #1 and a door to the outside in the basement. Parents drop the children off and pick them up at the front entrance. The deck at the rear of the house as well as the yard are utilized for outdoor play. Pictures provided by the applicant show toys and play equipment located in this area.

## **ANALYSIS**

### **Comprehensive Plan Provisions**

**Plan Area:** Area III, Upper Potomac Planning District  
**Planning Sector:** Reston Community Planning Sector (UP5)  
**Plan Map:** Residential Planned Community

### **Zoning District Standards**

The PRC District regulations are designed to permit a greater amount of flexibility to a

developer of a planned community by removing many of the restrictions of conventional zoning. The subject property was developed as part of an approved development plan.

### **On-Site Parking and Site Circulation**

The applicant has a driveway with room for approximately 2 parking spaces that she utilizes for drop-off and pick-up of children. In addition, on-street parking is available. A condition has been included to ensure the driveway remain available during drop-off and pick-up times.

### **Zoning Inspections Branch Report (Appendix 7)**

After the site visit, staff could not confirm that a permit was obtained for one area of wiring in the basement. The applicant has since obtained an electrical inspection by a certified home inspector that confirmed the wiring was properly done. A report to this effect is included in Appendix 7. Since the time of the initial site visit, no other changes have been made to the property.

### **Zoning Ordinance Requirements (Appendix 8)**

- Sect. 8-006 General Special Permit Standards
- Sect. 8-303 All Group 3 Uses
- Sect. 8-305 Additional Standards for Home Child Care Facilities
- Sect. 10-103 Par. 6 Location Regulations

### **General Standards for Special Permit Uses (Sect. 8-006)**

<b>Standards 1 and 2</b> Comprehensive Plan/ Zoning District	The Comprehensive Plan recommends a planned community use, and the property is developed in accordance with the plan recommendation. The PRC District permits a home child care facility as an accessory use with special permit approval.
<b>Standard 3</b> Adjacent Development	No new construction is proposed. An outdoor play area with play equipment is found on the rear deck and in the rear yard. In staff's opinion, the proposed use will not hinder or discourage the use or development of neighboring properties or negatively affect value.
<b>Standard 4</b> Pedestrian/Vehicular Traffic	Arrival and departure times of the children are staggered, and in staff's opinion, the proposed use is not hazardous and does not conflict with existing and anticipated traffic in the neighborhood.
<b>Standard 5</b> Landscaping/Screening	There is existing vegetation in the yards that provides screening to the outdoor play area.
<b>Standard 6</b> Open Space	There is no prescribed open space requirement in the PRC District.

<b>Standard 7</b> Utilities, Drainage, Parking, and Loading	There are no changes to the utilities and drainage serving the property. As previously discussed, the driveway would be used for parking for the home child care facility.
<b>Standard 8</b> Signs	Sect. 10-103 of the Zoning Ordinance prohibits signs for home child care facilities.

**Standards for all Group 3 Uses (Sect. 8-303)**

<b>Standard 1</b> Lot Size and Bulk Regulations	The property was created as part of a planned low density residential community with an approved site plan. No new construction or exterior modifications are proposed.
<b>Standard 2</b> Performance Standards	The use will comply with the performance standards set forth in Article 14 of the Zoning Ordinance.
<b>Standard 3</b> Site Plan	Home child care facilities are not subject to the provisions of Article 17, Site Plans.

**Additional Standards for Home Child Care Facilities (Sect. 8-305)**

<b>Standard 1</b> Maximum of 12 Children & Non-Resident Employee	The applicant is proposing to amend a previously approved home child care facility with an allowed maximum of nine children at any one to time to increase to a maximum of 12 children at any one time. The development conditions allow up to two non-resident employees.
<b>Standard 2</b> Access and Parking	Arrival and departure times of the children are staggered and sufficient parking is available in the driveway. In staff's opinion, the increase of three children is not hazardous and does not conflict with existing and anticipated traffic in the neighborhood.
<b>Standard 3</b> Landscaping/Screening	There is existing vegetation in the rear yard that provides screening to the outdoor play area.
<b>Standard 4</b> Submission Requirements	The applicant met all submission requirements for a home child care facility.
<b>Standard 5</b> Code of Fairfax, Chapter 30 and Code of Virginia, Title 63.2, Chapter 17	The applicant holds a valid home child care license.

**Use Limitations (Par. 6 of Sect. 10-103)**

<b>Part A</b> Maximum Number of Children	The maximum number of children permitted by-right at any one time is seven in a single family detached dwelling. With special permit approval, the maximum number of children allowed is 12. The applicant has a valid state home child care license.
<b>Part G</b> Increase in Children or Non-Resident Employee	The maximum number of children permitted by-right at any one time is seven in a single family detached dwelling and can be increased up to 12 children with special permit approval. To whom it may concern,

On June 4, 2015 I performed an electrical inspection of the main electrical panel and traced a new circuit that was referenced in the Memorandum from Mr. Bruce Miller of the Department of Planning and Zoning dated May 29, 2015 at the property located at:

2247 Sanibel Drive, Reston, VA 20191

The yellow #12 gauge cable with a date stamp of 1/13/10 was found to serve the convenience receptacles in the recreation room area. The receptacle outlet boxes were opened and inspected for proper wiring.

The circuit was connected to a 20 ampere circuit breaker which is consistent with the requirements of the National Electrical Code. No adverse conditions were found in the circuit or the electrical panel.

Please feel free to contact me with any questions.

Respectfully submitted,

A handwritten signature in black ink that reads "Fernando Barrientos".

MARIA GUEVARA, SP 2014-HM-247 Appl. under Sect(s). 6-303 and 8-305 of the Zoning Ordinance to permit a home child care facility. Located at 2247 Sanibel Dr., Reston, 20191, on approx. 5,390 sq. ft. of land zoned PRC. Hunter Mill District. Tax Map 17-3 ((4)) (8) 32. Mr. Byers moved that the Board of Zoning Appeals adopt the following resolution:

WHEREAS, the captioned application has been properly filed in accordance with the requirements of all applicable State and County Codes and with the by-laws of the Fairfax County Board of Zoning Appeals; and

WHEREAS, following proper notice to the public, a public hearing was held by the Board on June 17, 2015; and

WHEREAS, the Board has made the following findings of fact:

1. The applicant is the owner of the land.
2. The present zoning is PRC.
3. The lot area is 5,390 square feet.
4. The applicant has indicated that she has read, understands, and concurs with the proposed development conditions.

AND WHEREAS, the Board of Zoning Appeals has reached the following conclusions of law:

THAT the applicant has presented testimony indicating compliance with the general standards for Special Permit Uses as set forth in Sect. 8-006 and the additional standards for this use as contained in the Zoning Ordinance.

NOW, THEREFORE, BE IT RESOLVED that the subject application is **APPROVED** with the following limitations:

1. This approval is granted to the applicant, Maria Guevara, only, and is not transferable without further action of the Board, and is for the location indicated on the application, 2247 Sanibel Drive, and is not transferable to other land.
2. This special permit is granted only for the home child care use indicated on the titled, "Plat Showing House Location on Lot 32, Block 8, Section 38-B of a Resubdivision of Reston," prepared by George M. O'Quinn, Land Surveyor, on August 28, 2014, as revised by Maria D. Guevara through November 13, 2014, and approved with this application, as qualified by these development conditions.
3. A copy of this Special Permit shall be posted in a conspicuous place on the property and be made available to all departments of the County of Fairfax during hours of operation.

4. The hours of operation of the home child care facility shall be limited to 7:00 a.m. to 6:00 p.m., Monday through Friday.
5. The dwelling that contains the child care facility shall be the primary residence of the applicant.
6. Excluding the applicant's own children, the maximum number of children on site at any one time shall be nine.
7. A maximum of two nonresident employees, whether paid or not for their services, may be involved in the home child care facility, limited to the hours of 7:00 a.m. to 6:00 p.m, Monday through Friday.
8. All pick-up and drop-off of children shall take place within the driveway.
9. There shall be no signage associated with the home child care facility.
10. Any portions of the dwelling associated with the home child care facility that are used as a children's sleeping area shall be located in a room with proper emergency egress as defined by the Virginia Uniform Statewide Building Code.
11. The approval of the use is contingent upon maintenance of a state-issued family day home license that permits the number of children being cared for at the home child care facility.

This approval, contingent upon the above-noted conditions, shall not relieve the applicant from compliance with the provisions of any applicable ordinances, regulations or adopted standards.

Pursuant to Sect. 8-015 of the Zoning Ordinance, this special permit shall take effect upon adoption of a resolution of approval by the Board of Zoning Appeals.

Mr. Hammack seconded the motion, which carried by a vote of 7-0.
