

FAIRFAX COUNTY SCHOOL BOARD
(HERNDON HIGH SCHOOL)
PCA 89-D-007

PROFFER STATEMENT
NOVEMBER 13, 2015
DECEMBER 22, 2015
FEBRUARY 18, 2016
MARCH 16, 2016
APRIL 7, 2016

Pursuant to Section 15.2-2303(A) of the Code of Virginia, as amended, and subject to the Fairfax County Board of Supervisors' (the "Board") approval of this application PCA 89-D-007, the Fairfax County School Board (the "Applicant") for itself and its successors and assigns, hereby proffers that development of the property identified as Fairfax County Tax Map Parcel 10-2-((1))-6A (the "Property"), containing approximately 40.67 acres, shall be in accordance with the following proffered conditions (the "Proffers"), which, if approved, shall replace and supersede all previous proffers approved for the Property. In the event this application is denied, these Proffers shall immediately be null and void and the previous proffers shall remain in full force and effect.

1. **Permitted Uses.** Use of the Property shall be limited to public uses up to a maximum floor area ratio of 0.24.
2. **Substantial Conformity.** The proposed additions to the existing school building shall be developed in substantial conformance with the Generalized Development Plan ("GDP") dated July 22, 2015, and revised through February 17, 2016, prepared by BC Consultants, consisting of eighteen (18) sheets. Pursuant to Par. 5 of Sect. 18-204 of the Zoning Ordinance, minor modifications from the approved GDP may be permitted as determined by the Zoning Administrator.
3. **Native Species Landscaping.** All landscaping provided shall be native to the middle Atlantic region to the extent feasible and non-invasive as determined by the Urban Forest Management Division ("UFMD") of the Department of Public Works and Environmental Services ("DPWES").
4. **Stormwater Management and Best Management Practices (BMPs).** Stormwater management, BMPs, and adequate outfall shall be provided in accordance with the Public Facilities Manual (the "PFM") as determined by DPWES. In addition, the Applicant shall incorporate Low Impact Development (LID) facilities for the area disturbed for the building additions and related site improvements, to the extent feasible in accordance with ongoing coordination between the Applicant and the Stormwater Planning Division, DPWES. The LID facilities may be the subject of a separate site plan or public improvement plan from the building additions and other related site improvements.
5. **Green Building Design.** With the proposed renovation/expansion of the school building, the Applicant shall incorporate the following green building measures through the

Collaborative for High Performance Schools (CHPS) program, which will include, but are not necessarily limited to, elements such as automatic temperature control systems, high efficiency lighting, motion sensor lights, high reflective roof (cool roof), low flow fixtures, low emissivity glazing (windows), sunshades, energy recovery outdoor air units (provides free heating of outdoor air), and cooling water economizers (provides free cooling during moderate outdoor temperature conditions). Prior to the issuance of a Non-RUP for the building additions, a list certified by a Licensed Architect or Professional Engineer identifying the green building measures that have been utilized in the building shall be provided to the Environment and Development Review Branch ("EDRB") of the Department of Planning and Zoning ("DPZ").

6. **Bicycle Facilities.** The specific type, number, and locations of the bicycle racks shall be determined at the time of site plan subject to the approval of the Fairfax County Department of Transportation ("FCDOT") consistent with the Fairfax County Bicycle Parking Guidelines.
7. **Pedestrian Improvements.** The Applicant shall upgrade the existing sidewalks that are less than five feet wide along the Property frontage of Bennett Street to five feet in width, or provide Americans With Disabilities Act passing areas, at the Applicant's discretion, in conformance with the PFM requirements as determined by DPWES. These improvements shall be in place prior to the issuance of a Non-RUP for the proposed building additions.
8. **Drop-Off and Pick-up Periods.** The Applicant shall provide on-site traffic controls during the morning drop-off and afternoon pick-up periods consistent with Fairfax County Public Schools (FCPS) approved procedures in order to minimize the potential for conflicts between buses and vehicles that utilize the parking spaces proposed on the south side of the school, proximate to the main entrance and bus loop drive aisle of the new parking area shown on the GDP.
9. **Athletic Fields.** The new lighting system for the baseball and softball fields shall be provided in accordance with the requirements of Sect. 14-900 (Outdoor Lighting Standards) of the Zoning Ordinance to include full cut-off fixtures to minimize light glare to surrounding residences. The new sound system for the baseball, softball and football fields shall not cause or create noise in excess of the maximum applicable sound levels permitted in Chapter 108.1 (Noise Ordinance) of the Fairfax County Code.
